### **The best BattleTech books | PC Gamer**

The Inner sphere mechs aren't especially impressive however. I wasn't a big fan of the Maelstrom, Dragongfire, or any of the other new IS mechs. Too much time was put into vehicles, and not the mech section. Still this is a great readout, because the Clan mechs rock!! I'd stick with the 3050 Technical readout, I think it's much better.
