Introduction to Abnormal Child and Adolescent Psychology by Robert Weis, 9781452225258, available at Book Depository with free delivery worldwide.

Introduction to Abnormal Child and Adolescent Psychology ...

This book provides a nice introduction to abnormal child psychology. I especially like the way it integrates research with examples of real-world practice. The introductory chapters focus mostly on the principles of developmental psychopathology, ethics in research and practice with children, assessment, and diagnosis.
