Let's clarify any confusion on the difference between procurement and purchasing. Procurement deals with the sourcing activities, negotiation and strategic selection of goods and services that are usually of importance to an organization. Purchasing is the process of how goods and services are ordered.

### **What Is The Difference Between Procurement and Purchasing ...**

As you look for activities to do with your child, consider offering different types of play to meet their needs and keep the fun going. Independent play (when children play by themselves with you nearby) is also an important type of play—and parents shouldn't feel guilty about giving their babies and toddlers a chance to play on their own.
