When all else fails in an international commercial dispute, the final step is: litigation. With respect to political risk that can be faced by a company seeking to invest abroad, which of the following presents the most severe political risk?

### Exam 1 Flashcards | Quizlet

But in When All Else Fails, Jason Brennan argues that there is a fourth option. When governments violate our rights, we may resist. We may even have a moral duty to do so. For centuries, almost everyone has believed that we must allow the government and its representatives to act without interference, no matter how they behave.
